

History of the IEEE Aerospace and Electronic Systems Society

Moshe Kam, Drexel University
[for Eric Herz]

6 August 2009

Aerospace & Electronic Systems Society

Original Speaker: Eric Herz

- An engineering and program manager in the US Aerospace Industry for 28 years
 - Atlas, Mercury, Space Shuttle, Cruise missiles
- President of the IEEE Aerospace and Electronic Systems Society
- IEEE Vice President, Technical Activities
- IEEE executive director and general manager (14 yrs)
- Served on the IEEE Board of Directors for 33 Years
- President, Eta Kappa Nu
- Eminent Member, Eta Kappa Nu

The Real Eric Herz

The Real Eric Herz

An Eric Herz wannabe

Objectives of AESS

- **Advancement of integrated electronic systems and large-scale integrated interoperable systems**
- **The organization, design, development, integration, and operation of complex systems for space, air, ocean, or ground environments**

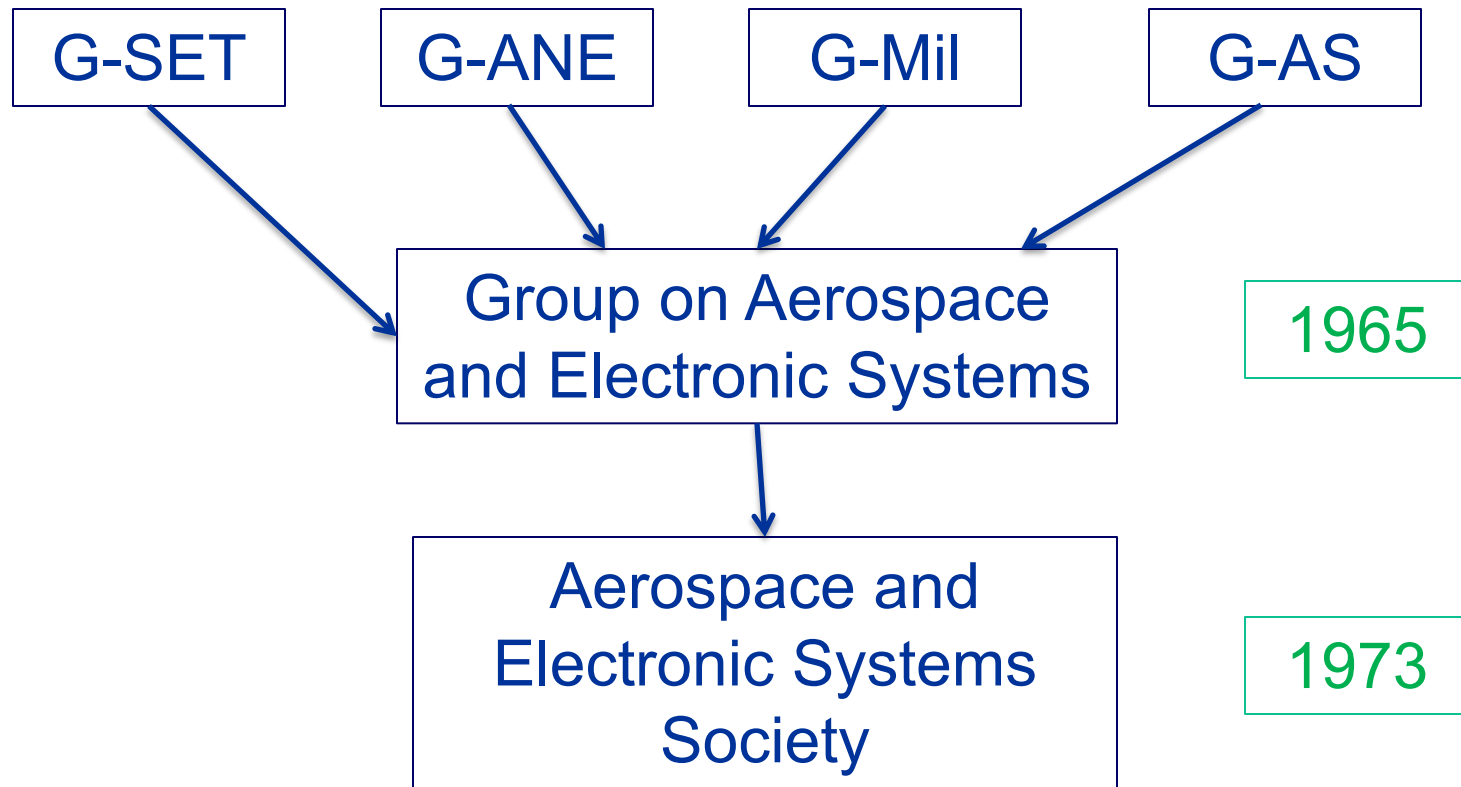

These systems include...

- Navigation
- Avionics
- Mobile electric power and electronics
- Radar
- Sonar
- Telemetry
- Military
- Law-enforcement
- Automatic test
- Simulators
- Command and control

How AESS was created

Key Events in the History of the Society: G-SET

Event	When
Professional Group on Radio Telemetry and Remote Control (PGRTRC) met	11/30/1950
<u>Name change:</u> IRE Professional Group on Telemetry and Remote Control (PGTRC)	8/26/1955
<u>Name change:</u> IRE Professional Group on Space Electronics and Telemetry (G-SET)	3/25/1959

Key Events in the History of the Society: G-ANE

Event	When
IRE Professional Group on Airborne Electronics (PGAE) met	2/15/1951
<u>Name change</u> : The Professional Group on Aeronautical and Navigational Electronics (PGANE)	9/29/1953
<u>Name change</u> : IRE Professional Group on Aerospace and Navigational Electronics (PGANE)	1/25/1961

Key Events in the History of the Society: G-ANE

Event	When
<p><u>Name change</u>: IEEE Professional Technical Group on Aerospace and Navigational Electronics (PTGANE)</p>	<p>1/22/1963</p>
<p><u>Name change</u>: Aerospace and Navigational Electronics Group (G-ANE)</p>	<p>3/24/1964</p>

Key Events in the History of the Society: G-MIL

Event	When
IRE Professional Group on Military Electronics (G-Mil) meets	12/12/1955

Key Events in the History of the Society: G-AS

Event	When
Aerospace Institute Technical Group met	1/26/1963
<u>Name change</u> : Professional Technical Group on Aerospace (PTGAS)	8/5/1963
<u>Name change</u> : Group on Aerospace (G-AS)	7/28/1963

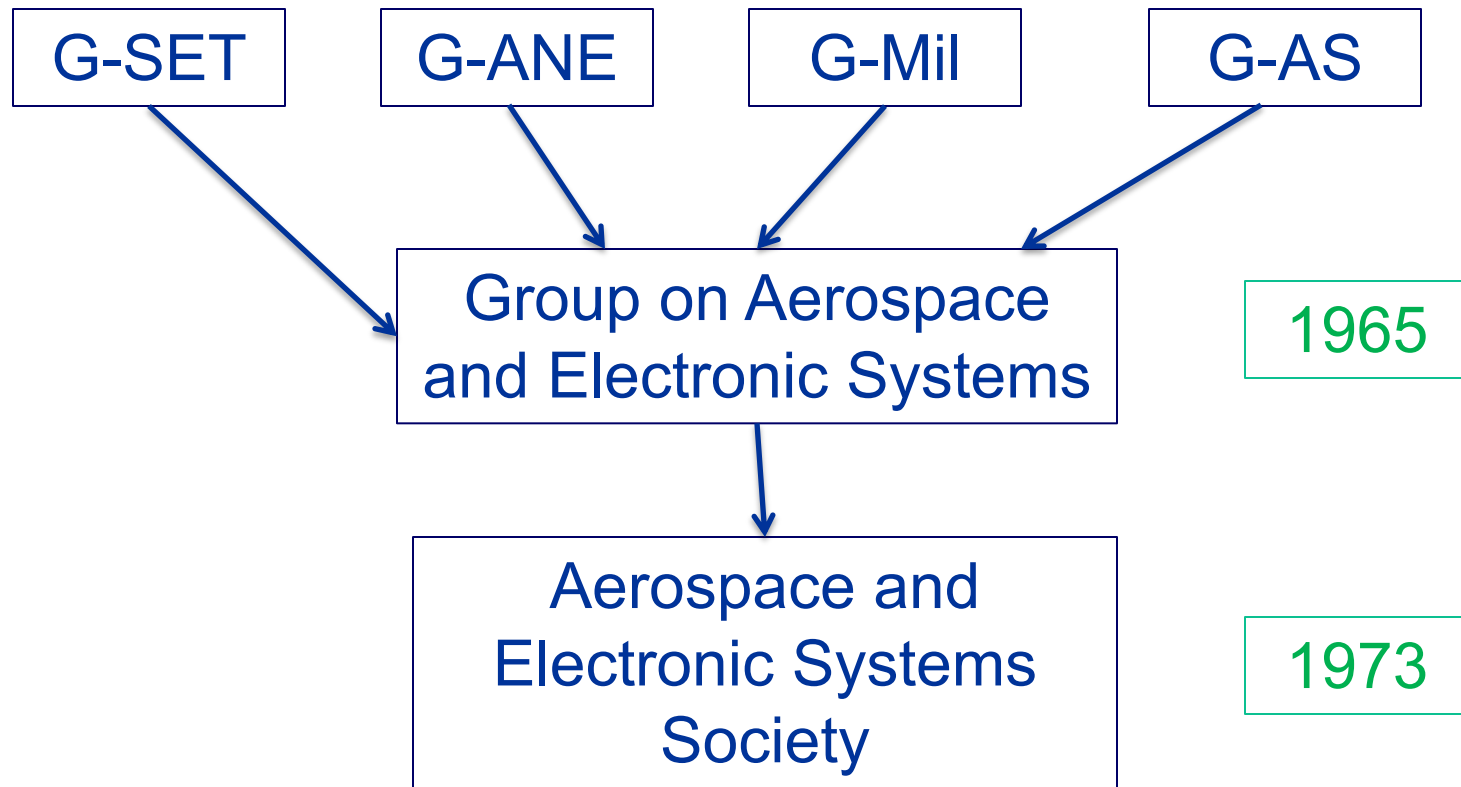

Key Events in the History of the Society

Event	When
G-SET, G-ANE, G-Mil and G-AS merged to form Group on Defense and Navigational Systems	1965
<u>Name Change</u> : Group on Aerospace and Electronic Systems	3/18/1965
Group on Aerospace and Electronic Systems became Aerospace and Electronic Systems Society	1/16/1973

How AESS was created

Current membership as of July 2009

- Higher Grade members ~ 4500
- Students ~150
- Affiliates ~ 30

- Growth from 2008 to 2009 ~ 1.5%

- Society budget ~\$2.7M

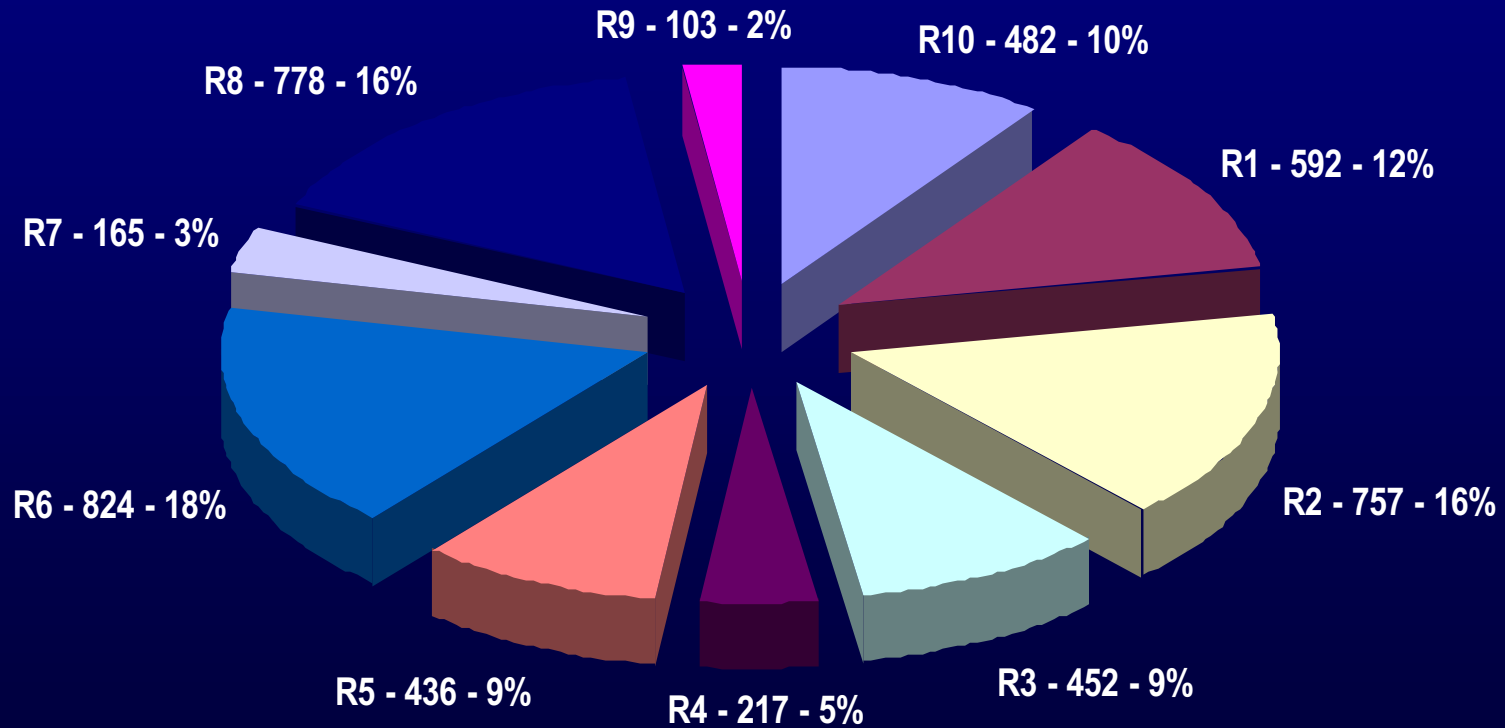

IEEE AESS Membership by Year

AESS Members Per Region

Non-US: 31%

US: 69%

AESS Chapters (2008)

53 Active Chapters

Average Chapter size 20.4

Sections with less than 10 AESS members 645

**Sections with AESS members
without AESS Chapters 67**

**AESS Members in Sections
without AESS Chapter 2001**

AAES Chapters

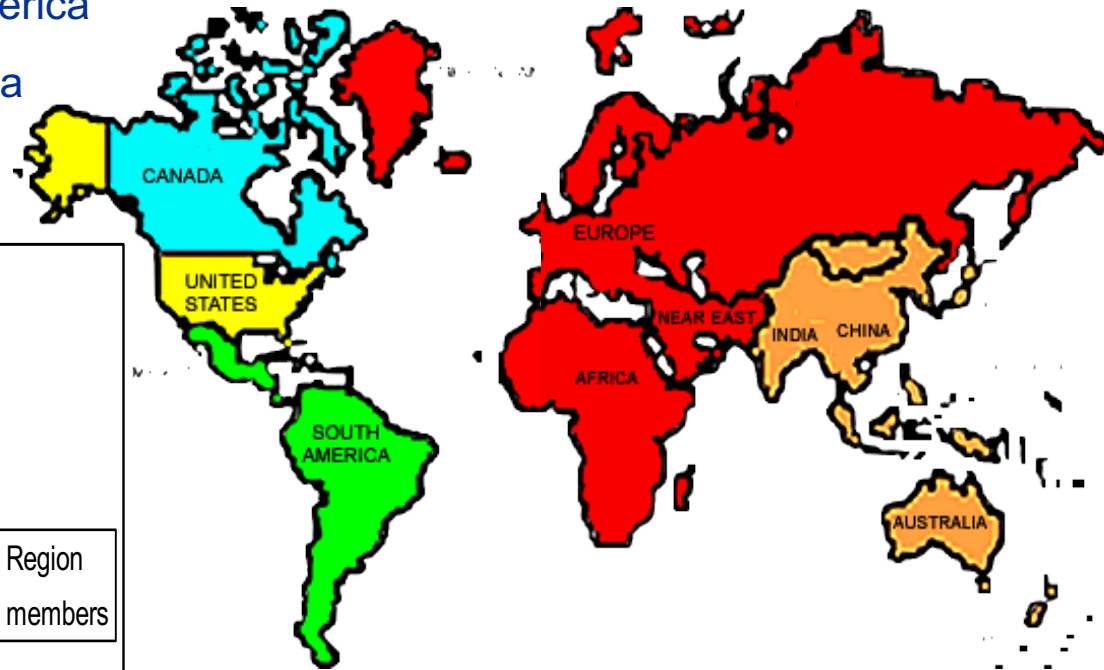

Regions 1-6 North America

Region 7 Canada

Region 8 Europe, Africa and Northern Asia

Region 9 Central and South America

Region 10 SE Asia and Australia

AAES members Sept 2008

Principal Publications

IEEE TRANSACTIONS ON
AEROSPACE
&
ELECTRONIC **SYSTEMS**

IEEE
Aerospace and Electronic Systems
Magazine

Aerospace & Electronic Systems Society

History of the *Transactions*

Name	Years
Transactions of the IRE Professional Group on Airborne Electronics	1952
Transactions of the IRE Professional Group on Aeronautical and Navigational Electronics	1953-4
Transactions of the IRE Professional Group on Radio Telemetry and Remote Control	1954

History of the *Transactions*

Name	Years
IRE Transactions on Aeronautical and Navigational Electronics	1955-1962
IRE Transactions on Military Electronics	1959 - 1962
IRE Transactions on Space Electronics and Telemetry	1959 - 1962

History of the *Transactions*

Name	Years
IEEE Transactions on Aerospace and Navigational Electronics	1963-1965
IEEE Transactions on Aerospace	1963-1965
IEEE Transactions on Military Electronics	1963-1965
IEEE Transactions on Telemetry and Space Electronics	1963-1965
IEEE Transactions on Aerospace and Electronic Systems	1965 – present

Where are IEEE-T-AES papers coming from?

Country	Percentage
US	31.8%
China PRC	23.5%
Canada	5.6%
China ROC	4.25%
R. of Korea	3.73%
India	3.65%
Italy	3.56%
UK	3.47%
Australia	3.21%

IEEE Publications in Aerospace and Defense

- *IEEE Transactions on Aerospace and Electronic Systems*
- *IEEE Aerospace and Electronic Systems Magazine*
- *IEEE Circuits and Systems Magazine*
- *IEEE Transactions on Vehicular Technology*
- *IEEE Signal Processing Magazine*
- *IEEE Sensors Journal*
- *IEEE Engineering in Medicine and Biology Magazine*
- *IEEE Security & Privacy Magazine*

Aerospace/Avionics articles in IEEEXplore: 65,700

How are IEEE AES publications ranked? (2008)

Rank	Name	Publisher
1	Acta Astronautica	Elsevier
2	Aeronautical Journal	Royal Aeronautical Society
3	Aerospace Science and Technology	Elsevier-France
4	Aerospace America	AIAA
5	AIAA Journal	AIAA

How are IEEE AES publications ranked? (2008)

Rank	Name	Publisher
6	Aircraft Engineering and Aerospace Technology	Emerald Group
7	Cosmic Research	Maik Nakua / Springer
8	ESA Bulletin	European Space Agency
9	IEEE AES Magazine	IEEE
10	IEEE T AES	IEEE

AIAA J vs. IEEE-T-AES (2008)

Item	AIAA J	IEEE-T-AES
Total Cites	9941	4403
Impact Factor	1.025	1.024
5 Yr Impact Factor	1.26	1.757
Immediacy Factor	0.14	0.109
Total Articles	301	128

The Impact Factor numbers tell an interesting story

Additional activities: the Distinguished Lecturer Program

7 Lectures Delivered So Far in 2008
5 Lecture/Tutorial Tours in Process
Potential Total of 12 or More for FY08

Additional activities: Awards

2008 Pioneer Award: Robert D. Briskman

**Additional activities:
IEEE Aerospace Junior Conference**

**Part of
IEEE Aerospace Conference**

Antennas

By: Amy Haupt
Senior

Building My Antenna

- The substrate for my antenna is a 10.28 cm by 10.45 cm piece of polycarbonate (plastic)

The Prisoner's Dilemma or Life With My Brother and Sister

John Willett
Age 9
G.H. Robertson
Coventry, CT

From John Willett's presentation

... spend time
with my
loving sister

play with my cool
brother, or ...

Competitors

- **American Institute of Aeronautics and Astronautics – AIAA**
- **Royal Aeronautical Society**
- **SAE International**
- **ASME Environmental and Transportation Group**
- **American Astronautical Society**
- **Aerospace Industries Association**
- **American Helicopter Society**

Competitors:

- **The American Institute of Aeronautics and Astronautics**
- **Founded 1963**
 - **merger of**
 - **the *American Rocket Society (ARS)*, founded in 1930 as the *American Interplanetary Society (AIS)***
 - ***Institute of Aerospace Sciences (IAS)*, founded in 1932 as the *Institute of Aeronautical Sciences*.**

The World's Forum for Aerospace Leadership

- **AIAA Mission: AIAA advances the state of aerospace science, engineering, and technological leadership.**
- **AIAA Vision: AIAA is the shaping, dynamic force in aerospace – the forum for innovation, excellence and global leadership.**

- **U.S. representative:**
 - **International Astronautical Federation**
 - **International Council on the Aeronautical Sciences**
- **More than 35,000 members**
- **Seven (7) regions**
- **Standards writing activities.**
- **Nine (9) technical journals,**
- **Monthly general interest magazine, *Aerospace America***
- **A series of technical books**
- **Conferences on space engineering.**
