

Call for Papers
IEEE Aerospace and Electronic Systems Magazine

Special Issue on
Cognitive Radar

Dear Cognitive Radar Community,

The IEEE Aerospace and Electronic Systems (AESS) will publish a **special issue** of its magazine focusing on **Cognitive Radar** developments in recent years.

The IEEE AESS Magazine enjoys a wide circulation and readership and is printed in colour.

We invite you and your colleagues, recognised experts in the field of Cognitive Radar (Approaches and Concepts, Algorithms and Hardware), to contribute a paper to the special issue.

As a guideline time schedule, we invite you to submit your contribution by the **31st of January 2019**. The peer-review process will take approximately three months. Authors will be provided notification and feedback by early March 2019. Authors are allowed a further two months to refine/correct their manuscripts based on the reviewer feedback. Authors submit final paper by **30th September 2019**.

You should expect to see **your paper published** in the **second half of 2019**:

Manuscript submission deadline:	31 January 2019
· First review completed:	01 May 2019
· Revised manuscript due:	01 July 2019
· Second review completed:	31 August 2019
· Final manuscript due:	30 September 2019

We strongly encourage you to submit a paper of your recent work. We attach a paper template to this mail and provide a link to author instructions:

http://sysaes.msubmit.net/cgi-bin/main.plex?form_type=do_cat&file_nm=info.htm

If you agree to submit a paper, please reply with a **title** by **30th November 2018** to:

cognitiveradarspecial@gmail.com
